North Oldham Middle School Booster Club
Kroger & Thorntons Gift Card Earnings Program

This program costs you nothing and allows Kroger and Thorntons to help our students. It provides you the opportunity to help the school and earn money for your student's activity or 8th grade trip. Instead of paying for groceries and gas with cash, check, or credit card, **use the gift cards from the NOMS Booster Club**. These Kroger and Thorntons Gift cards work much like prepaid phone cards. Load them up at the service desk or cash register, and then use them at check-out time, even pay-at-the pump. **You can continue to earn points on your credit card** by loading the gift card with your credit card. You can purchase cards for relatives and friends, even outside the Louisville area. Each time you use your cards, a percentage credit is sent to the NOMS Booster Club. At your direction, we will put 60% into an account for the activity or 8th grade trip. The total accumulated by the class will be distributed among all students going on the trip.

The NOMS Booster Club proceeds support the entire school with such needs as restroom renovations, computers, wireless computer network, musical instruments, uniforms and much more. **SINCE 1995 WE HAVE PROVIDED $222,000 to NOMS.** GET YOUR CARD TODAY and help us help YOU and your school!

Here's an example of how the program works with 60% to the class trip.
